

Before School/After School Interventions

iReady Lab

8:05 – 8:45 before school

3:30 – 4:15 after school

Tutoring

Tutoring is offered to students who need extra help on certain skills before or after school. If you would like tutoring for your child, please contact your child's teacher.

Robotics

Students are able to sign up to be on a robotics team during after school hours. Students learn about robots, programming, and cooperating with teammates.

KidSpace

Dixie State University offers an afterschool time for homework help and activities. This goes from 3:30 – 5:30 (Monday through Friday). There is an application to be able to attend this time.

Daily Response to Intervention – REAL Time

Our school offers daily interventions and extensions for students who need extra help or an extra challenge.

12:45 – 1:15 (first – second grades)

1:00 – 1:30 (third – fifth grades)
